### **Timeline for the Hinger House Closing.**

On or about December 7<sup>th</sup> 2009 I was contacted by Administrator Wyntergreen and advised that the council had approved the signing of Resolution 1031 authorizing the Mayor to sign closing documents for the Hinger property. He asked that I contact the Real Estate agent Chuck Rearick and see if the estate would be ready to proceed so that the closing could be completed and we could return to the council with a plan for financing and remodeling.

I directed my administrative assistant to call Mr. Rearick and get a date and time for closing. When she contacted Mr. Rearick he advised that the estate was ready and would only need a day to get the documents generated for the signing. He told her that they could do the signing on Wednesday December 9 at 12:00 PM. She then contacted Mayor Garrett to confirm that this would work for his schedule and he stated that it would.

There was a slight glitch that had something to do with the wiring instructions so the signing was then put off until Thursday December 10 at 2:00 PM,
